

## The AARP Driver Safety Program **VETERANS PROMOTION**

To recognize and thank veterans for their dedication and commitment to service, the AARP Driver Safety Program (DSP) is proud to offer a FREE classroom course to ALL veterans, regardless of age, from November 1 through November 30, 2011.

### **Who is eligible to receive the free AARP Driver Safety Program classroom course?**

Any military personnel—active duty, retired, guard, or reserve—are eligible to receive a free DSP classroom course during the month of November (November 1–November 30, 2011). Veterans include those individuals who have served in the Army, Navy, Air Force, Marines, National Guard/Reserves, or Coast Guard.

### **Are spouses, widows and widowers of military veterans eligible to receive a free classroom course?**

Spouses (including widows and widowers) are eligible to take the classroom course, free of charge, so long as they present a valid military spouse/widower identification, such as a dependent ID card (DD Form 1173), or a membership card to organizations such as the American Legion or Veterans of Foreign Wars (VFW). **Prospective participants should be considered on a case-by-case basis, based on the Instructor's discretion.**

### **I'm a veteran and I've taken the DSP course before. Can I still take the course for free in November, even though I'm not a first-time participant?**

Yes. Any veteran may take any version of the DSP classroom course for free in November. This includes the four-hour, four-hour refresher, six-hour, or eight-hour classroom course.

### **Is the promotion valid for the Online Course?**

No; the Veterans Promotion is only valid for the classroom course. There are no exceptions to this rule.

### **I'm a veteran. How do I receive the free classroom course?**

Instructors and host organizations of the DSP course should accept any individual who presents a valid form of military identification. The types of military IDs vary, but examples include: Military ID, discharge papers (DD Form 214), American Legion card, dependent ID card, or Veterans of Foreign Wars (VFW) card. Prospective participants will be considered on a case-by-case basis, based on the Instructor's discretion. All participating veterans must complete a Veteran Participant Form, to be provided by the Instructor during the course. **All registrations for any given course should be accepted on a first-come, first-served basis.**

### **How do I locate a course?**

You may locate a course by visiting DSP's Online Course Locator at [www.aarp.org/findacourse](http://www.aarp.org/findacourse) or by calling 1-888-AARP-NOW (1-888-227-7669).

**Note:** In order to receive the free course, the entirety of the course must take place during the month of November. Two-day courses that start in October and finish in November, or start in November and finish in December, do not qualify for this promotion.
